PROPOSAL TO AUTHORISE THE PURCHASE AND DISPOSAL OF TREASURY SHARES PURSUANT TO ARTICLES NO. 2357 AND NO. 2357-TER OF THE ITALIAN CIVIL CODE, AND ARTICLE NO. 132 OF LEGISLATIVE DECREE OF 24 FEBRUARY 1998, NO. 58 AS WELL AS ARTICLE NO. 144-BIS OF CONSOB'S REGULATION NO. 11971 OF 14 MAY 1999, SUBJECT TO REVOCATION OF THE PREVIOUS AUTHORIZATION GRANTED BY THE ORDINARY SHAREHOLDERS' MEETING ON 31 MAY 2017, REMAINED UNEXECUTED IN FULL. RELATED AND CONSEQUENT RESOLUTIONS.

Dear Shareholders,

the Board of Directors has called you to an ordinary Shareholders' meeting to examine and approve the proposal of authorization to purchase and dispose of the ordinary shares of the Company, pursuant to articles 2357 and 2357-ter of the Italian Civil Code and article 132 of Legislative Decree of February 24, 1998, no. 58, as subsequently amended ("TUF") and article 144-bis and article 114-bis.1 of the CONSOB Regulation adopted with Resolution no. 11971 of May 14, 1999, as subsequently amended ("Issuers' Regulation") to the Regulation (EU) no. 596 of April 16, 2014 relating to market abuse (the "MAR"), to the Delegated Regulation (EU) no. 1052 of March 8, 2016, relating to the conditions applicable to the buyback of treasury shares and stabilisation measures (the "Delegated Regulation"), and in compliance with the market practice applicable from time to time approved by Consob pursuant to article 13 of the MAR including, but not limited to, the market practice set forth by the resolution of the Commissione Nazionale per le Società e la Borsa ("Consob") no. 16839 of March 19, 2009 (the "Admitted Practices").

It is hereby recalled that, through a resolution approved on 31 May, 2017, the Shareholders' meeting authorized the purchase and disposal of the ordinary shares of the Company by the Board of Directors. The authorization to the purchase of shares had a duration of 18 months from the date of the resolution and, therefore, will expire on 30 November, 2018, while the authorization to the disposal of shares was granted without any time limits. The resolution remained unexecuted in full, as of today's date, the Company does not hold any treasury shares.

Considering the appropriateness to renew the authorization, for the reasons that will be explained in detail in this Report, we propose you to revoke the authorization granted through the resolution of 31 May 2017, since the date of the shareholders' resolution and to resolve on a new authorization to the purchase and disposal of ordinary treasury shares of the Company under the terms explained in this Report which is prepared pursuant to article 125-ter of the TUF and article 73 of the Issuers' Regulation. .

1. Reasons for which the authorization to the purchase and disposal of treasury shares has been requested.

The request of authorization to the purchase and disposal of treasury shares, subject of the present proposal, is aimed at allowing the Company to purchase and dispose of the ordinary shares in full compliance with the applicable EU and national provisions and the Admitted Practices for the following purposes:

- (i) support of the market liquidity and efficiency and the formation of the so-called "securities stock", including the use of the purchased treasury shares;
- (ii) as compensation in extraordinary transactions, including the exchange or transfer of shares to be carried out by exchange, contribution or other deed of transfer, with other subjects, including the allocation to serve the issuance by the Company of convertible bonds or bonds with warrants; and
- (iii) use for the compensation and incentive plans based on financial instruments and reserved for directors and employees of the Company and/or companies directly or indirectly controlled by it, either through the free concession of purchase options, or through the use of free allocation of shares (so-called stock option and stock grant plans) pursuant to article 114-bis of TUF, as well as arising from programs for the free allocation of shares to the Shareholders.

The request of authorization provides for the faculty of the Board of Directors to carry out several subsequent sale and purchase transactions (or other deed of transfer) of treasury shares, even on a revolving basis, also only for part of the maximum amount authorized, in a way that at any time, the proposed amount of shares to be purchased and held by the Company would not exceed the limits set forth by the law and the Shareholders' meeting authorization. In any case, such purchase of treasury shares shall be carried out in compliance with the applicable provisions of the Issuers' Regulation, of the MAR, of the Delegated Regulation, as well as of the Admitted Practices existing from time to time.

2. Maximum number, category and par value of the shares covered by the authorization.

The authorization is requested for the purchase, also in multiple tranches, of OVS ordinary shares with no par value, up to a maximum amount that, taking into account the OVS ordinary shares held from time to time in the portfolio of the Company and its subsidiaries, does not exceed, in the aggregate, 10% of the share capital of the Company, pursuant to article 2357, paragraph 3, of the Italian Civil Code.

As of the date of this Report, the share capital of OVS is equal to Euro 227,000,00.00 and is divided in no. 227,000,000 ordinary shares with no par value.

As of the date of this Report, the Company and its subsidiaries do not own any treasury shares in their portfolio.

3. Useful information to fully assess the compliance with the provisions of article 2357, paragraph 1, of the Italian Civil Code.

Pursuant to article 2357, paragraph 1 of the Italian Civil Code, the purchases of the treasury shares shall be carried out within the thresholds of the distributable profits and the available reserves resulting from the last approved financial statements at the moment of the carrying out of each transaction. Only shares fully paid-up may be purchased.

It should be noted that the company's draft financial statements as of January 31, 2018, submitted for approval by the Shareholders' Meeting of May 31, 2018, presents available reserves and distributable earnings for: share premium reserve for Euro 511,994,502.00 and retained earnings reserve for Euro 64,075,374.00.

The Board of Directors shall assess the compliance with the thresholds set forth by article 2357 of the Italian Civil Code, prior to the start of each purchase of ordinary shares for the purposes mentioned under paragraph 1 above.

In order to allow the assessments on the subsidiaries, the same will be instructed with specific directives for the prompt notice to the Company of any possible purchase of ordinary shares of the controlling company carried out pursuant to article 2359-bis of the Italian Civil Code.

The provisions of law and the accounting principles applicable from time to time, shall be complied with for the purposes of the accounting entries to be made in connection with the purchase of treasury shares, their sale, exchange, contribution or depreciation. In case of sale, exchange, contribution or depreciation, the corresponding amount may be used for subsequent further purchases, until the expiry of the term set forth by the authorization of the Shareholders' meeting, within the terms, the limits of the amount and of the costs determined by the Shareholders' meeting itself.

4. Term for which the authorization has been requested.

The authorization for the purchase of treasury shares is requested for the maximum term permitted by the applicable laws, that article 2357, paragraph 2 of the Italian Civil Code sets forth in a period of eighteen months, starting from the date of the possible resolution of approval of this proposal by the Shareholders' meeting.

Therefore, within the term of the authorization possibly granted, the Board of Directors may perform share purchases in one or more tranches and at any time, pursuant to the extent and timing freely determined in compliance with the applicable provisions and as gradually as it seems appropriate in the interest of the Company.

The authorization to the disposal and/or utilisation of treasury shares possibly purchased is requested without any time limit, because of the absence of time limits pursuant to the applicable provisions and the appropriateness to allow the Board of Directors to dispose of the shares with the maximum flexibility, also in terms of timing.

5. Minimum and maximum purchase price for the treasury shares.

The Board of Directors proposes that the purchase price for each share shall not be lower than the official Stock Exchange price of the OVS share on the day before the one on which the purchase will be carried out, reduced by 15%, and not higher than the official Stock Exchange price of the OVS share on the day before the one on which the purchase will be carried out, increased by 15%, subject to the further terms and conditions set forth by MAR, the Delegated Regulation and the Admitted Practices, where applicable, and in particular:

- the shares may not be purchased at a price higher than the highest between the price of the last independent transaction and the price of the current highest independent purchase offer on the trading venue of the purchase; and

- with reference to the trading volumes, the daily quantities to be purchased may not exceed 25% of the average daily volume of the trading of OVS shares in the 20 days of trading prior to the dates of purchase.

The Board of Directors proposes to be authorized to sell, dispose of and/or use, pursuant to article 2357-ter of the Italian Civil Code, for any reason and at any time, wholly or partially, in one or more tranches, the treasury shares purchased pursuant to the authorization possibly granted by the Shareholders' meeting, for the purposes mentioned under paragraph 1 above, pursuant to modalities, terms and conditions determined by the Board of Directors from time to time, taking into account the modalities of implementation actually adopted, the price trend of the OVS share and the best interest of the Company, it being understood that the proceeds of any possible act of disposal of the treasury shares might be used for further purchases of shares until the expiration of the requested shareholders' authorization, within the restrictions set forth by the same and the applicable legal provisions.

6. Modalities through which the purchases and disposals will be carried out.

The transactions of purchase of treasury shares shall be performed on regulated markets, pursuant to the operating modalities set forth in the regulations of organization and management of the same markets, in compliance with the applicable provisions and, in particular, pursuant to article 132 of the TUF, with particular reference to the principle of equal treatment of the Shareholders provided by article 144-bis (with the exclusion of letter c paragraph 1) of the Issuers' Regulation and by article 144-bis.1 of the Issuers' Regulation, by the EU and national market abuse provisions applicable from time to time and inter alia by MAR, by Delegated Regulation and by the Admitted Practices.

With reference to the transactions of disposal of treasury shares, the Board of Directors proposes to perform the same through any means deemed appropriate in the interest of the Company, in compliance with the laws and regulations applicable from time to time and for the purposes of this resolution proposal, including sales on regulated markets, block sales or by exchange or securities lending of free allocation. It is proposed to authorize the Board of Directors to carry out any subsequent or further purchase and transfer activity, within the context of the trading activity, as indicated in the purposes illustrated in paragraph 1 above.

7. Information on the instrumentality of the purchase transaction to a share capital reduction.

It is noted that the purchase of treasury shares of this request of authorization is not instrumental to the reduction of the share capital by means of the annulment of the treasury shares purchased, it being understood that the Company shall maintain the faculty, in case the Shareholders' meeting will resolve upon a capital reduction, to give execution to such resolution by means of the annulment of the treasury shares held.
